COMPONENTS CONCERNED

	Article No	Part
Omitted	35170800	Cup Holder
New	31010800	Cup holder

MODIFICATION

- From the above machine number all FB 55 machines in production will be supplied with the new cup holder.

The reflector holder on the new cup holder has been enlarged in order to ensure that the reflector is located closer to the transmitter resulting in the fact that the light beam from the transmitter is reflected back correctly.

Please see the following pages containing updated pages for the FB 55 spare parts list.

REASON

- Improved registration of pot brew function.

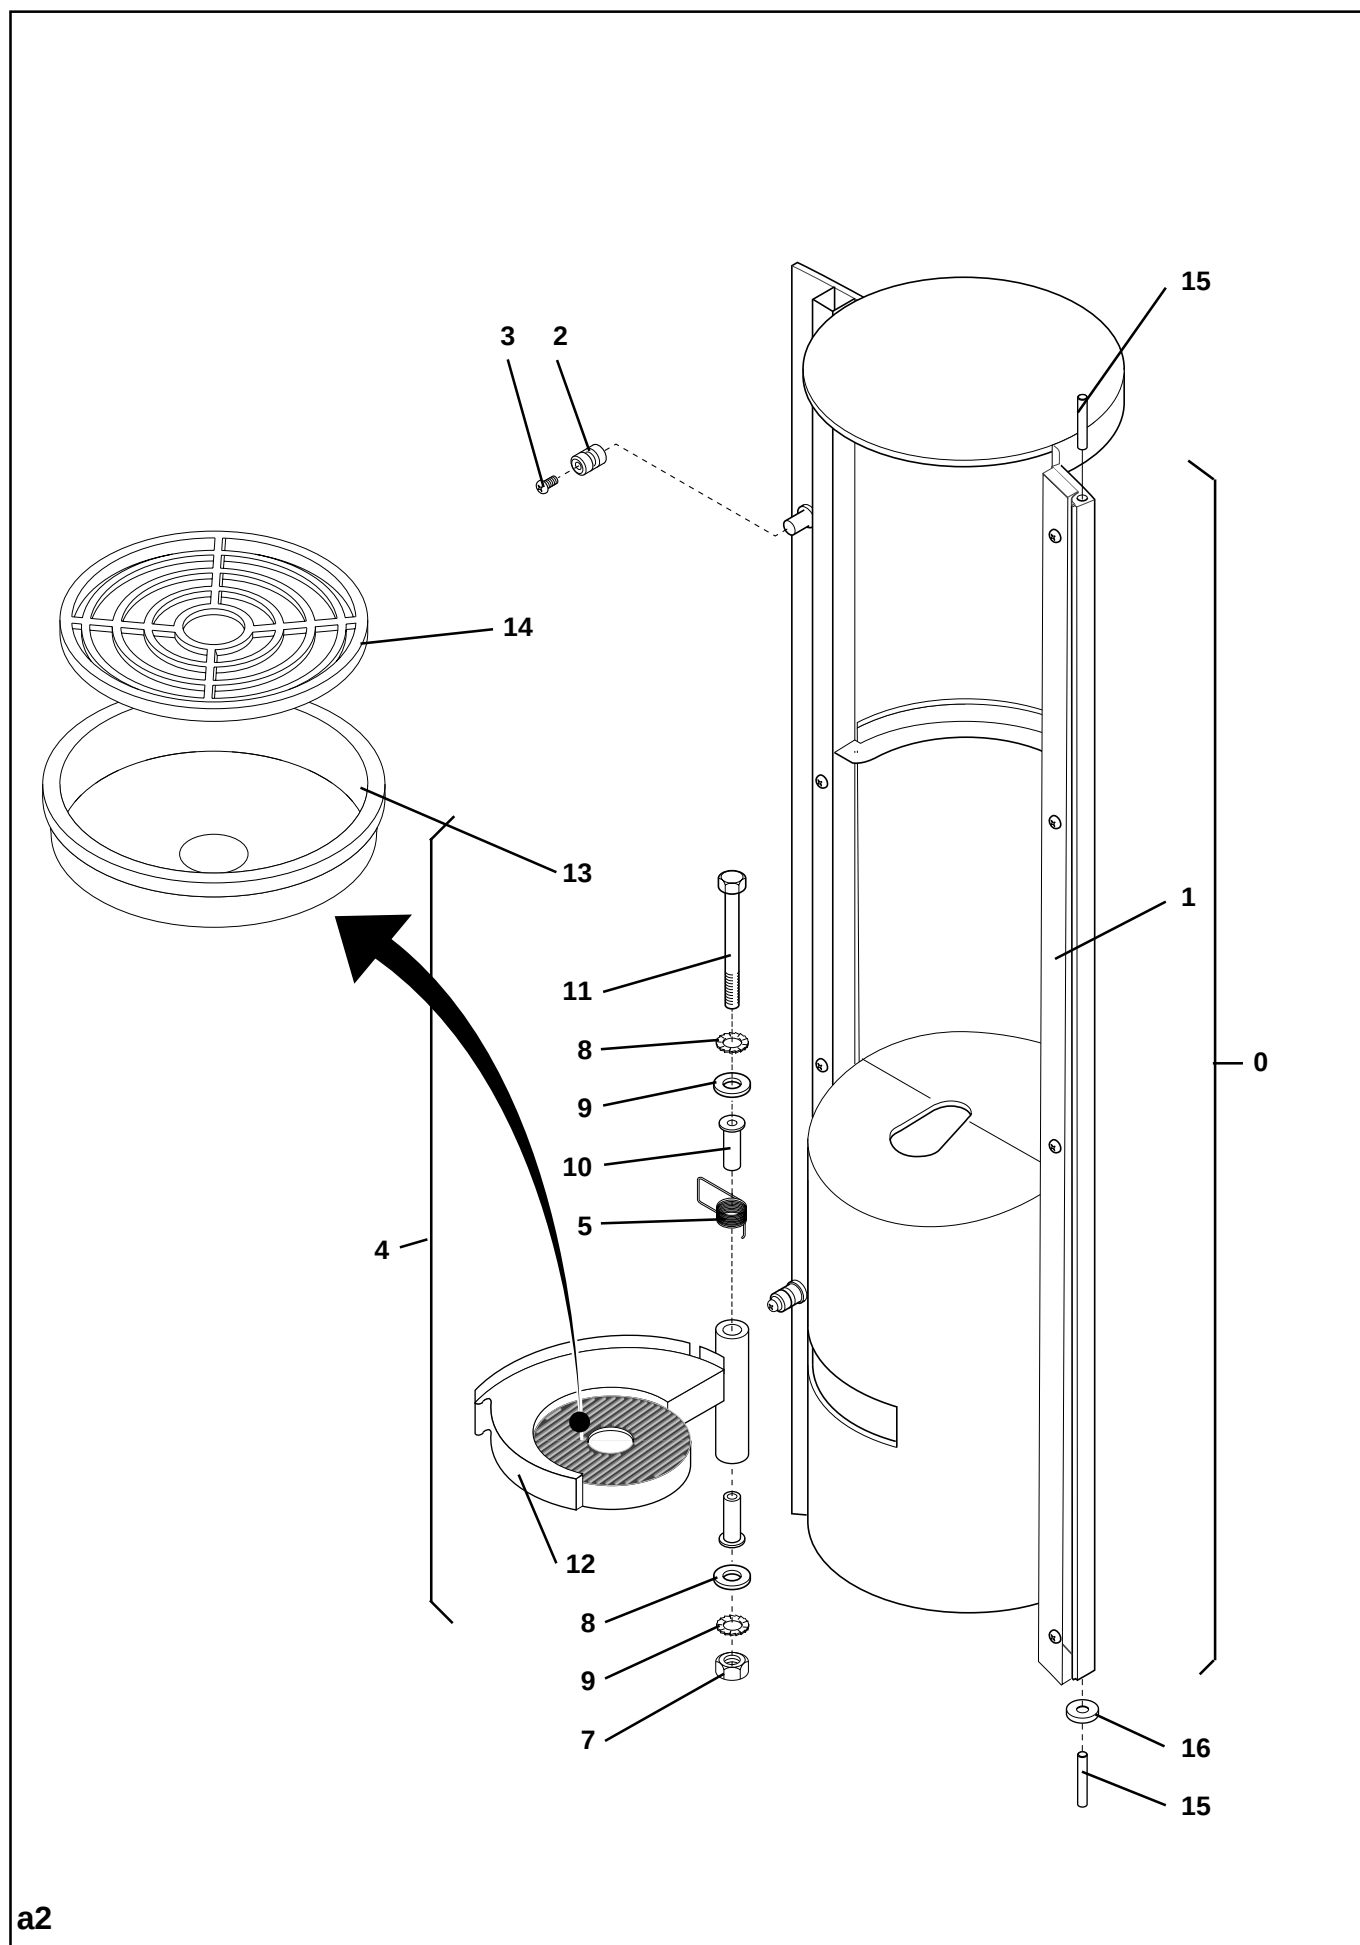

REPLACEABILITY

- The new cup holder, part No 31010800, is not interchangeable with the present one, part No 35170800.
